Statements about the course	Strongly agree	Agree somewhat	Agree	Disagree Somewhat	Strongly Disagree
A half –day course was sufficient time to cover all the necessary educational materials.					
The manual was useful and presented the material in an organized manner.					
The instructor(s) were knowledgeable and clear in their presentations and interactions.					
The slides used were a useful adjunct to the program.					
This program was interactive—I was made to think, had time to reflect, to question and to digest the material.
